

Evergy to Review Capital Expenditure Plan at Missouri Stakeholder Meeting

Evergy's plan uses PISA for the benefit of Missouri stakeholders

Kansas City, MO – March 25, 2024 – Evergy will host a public stakeholder meeting to review its annual and five-year capital expenditure plan on **Thursday, March 28 at 6:00 pm**. The meeting will be held virtually and is open to stakeholders in Evergy's Missouri Metro and Missouri West service areas. Instructions for joining the meeting are below.

Evergy representatives will provide a brief presentation about planned generation transition and grid modernization expenditures, including examples of specific projects that improve grid reliability and resiliency. The company's plan complies with Missouri's Plant in Service Accounting (PISA) legislation, which encourages utility investment in infrastructure while managing the impact on customers' energy prices. There will be a Q&A session at the conclusion of the presentation.

About Evergy, Inc.

Evergy, Inc. (NASDAQ: EVRG), serves 1.7 million customers in Kansas and Missouri. Evergy's mission is to empower a better future. Our focus remains on producing, transmitting and delivering reliable, affordable, and sustainable energy for the benefit of our stakeholders. Today, about half of Evergy's power comes from carbon-free sources, creating more reliable energy with less impact to the environment. We value innovation and adaptability to give our customers better ways to manage their energy use, to create a safe, diverse and inclusive workplace for our employees, and to add value for our investors. Headquartered in Kansas City, our employees are active members of the communities we serve.
