

Applications now open for Kansas Low Income Energy Assistance Program (LIEAP)

Program can help qualifying Evergy customers pay their bills

Topeka, KS – November 18, 2024 –**Evergy Kansas customers** who need financial assistance keeping their heat on this winter can now **apply for the 2025 Low Income Energy Assistance Program (LIEAP)**

Kansans can apply **Monday, November 18 through March 31, 2025**

Evergy is one of five utilities partnering with the Kansas Department for Children and Families to help eligible Kansans receive assistance. LIEAP, administered through DCF, is a federally funded program that helps eligible households pay a portion of their home energy costs by providing a one-time per-year benefit. Customers may use it to restore or maintain electricity, natural gas, propane, and other home heating fuels.

Kansans can submit their LIEAP application online through the DCF website at www.dcf.ks.gov and click “Apply for Services.” Applicants can also attend an in-person Kansas LIEAP application event. A full list of events is located on the DCF website.

Evergy will host the following events during the LIEAP application period:
